

Melting

Inspired by Salvador Dalí's *The Persistence of Memory*

Time slows down for no one
But oddly enough it seems to slow down for the painter
Letting his imagination soar to new highest
Once his brush touches the smooth canvas
It doesn't stop
The colors and images keep appearing
Time just seems to melt away
Getting slower and slower with every stroke
Soon it stops completely
Letting the painter have freedom
Letting him have just enough time to paint another world
Time slows down for no one
Time is everyone's enemy
Except the painters.
