

## **Lurking in the Shadows**

I'm not crazy!  
I can see them... lurking...  
There!  
No?  
You never see them.

You think I'm seeing things  
Don't you?  
But I'm NOT! Okay, I'm not  
If you would just listen to me, okay

If you would just hear me  
and listen to the words I'm speaking  
They are here.  
They are... everywhere  
Why won't you listen?
