

## Soon to be Graduate

College  
Where at?  
Which one?

ACT  
SAT  
Stats and criteria  
All bundled up into a  
heaping pile of stress,  
and misery.

Application process...  
Don't even mention it.  
Had to join clubs and  
sports to make my life look interesting.

The golden ticket.  
An escape from this easy going life.  
A bloody Hellhole  
that's what life will be like.

Gone are the defenses,  
Gone are the step by step instructions,  
Gone is the easy pace of High School.  
All gone
