

Ode To Pugs

You are so cute,
I love your squished little faces
Zoey, you are my chubby, cuddly star that gives me warmth
Oh you avid Bailey, you make me feel so fuzzy inside
Zoey, Bailey, you are my perfect puppy pugs
You are so funny, Zoey, when you howl with mommy on your rug
I relish my time with you my, brave Bailey boy
You are loving dogs that keep people like me happy and protected
Truly y'all are the things that complete my circle
