

## Horrid

I've created a monster!  
Horrid and grotesque,  
It is bit what I hoped for  
Or what I set out to create.  
We're all doomed!

I had a vision  
Of something wonderful that could help  
Change the world  
Create a better world for all.  
I was so wrong.

It was innocent to begin with  
And innocent idea that now lays waste  
To everything it sees.  
I'm sorry.  
I'm so, so sorry everyone.
