

## The Memorable Moment

Dark theatre cuddles,  
sweet reminders.  
Thoughtful surprises,  
bring a goofy grin  
to my face.  
Pure joy  
over takes me.

First step,  
love.  
Funny and caring,  
he fills my every thought.

Tall and quirky.  
I look up, and  
Commit this moment  
to memory.

I mean it.  
I truly love him,  
with all my heart.
