

Question

I've been meaning to ask,
I mean—
Is it okay if I—
Never mind.

I don't want to know what you might say
to the question I am really wanting to ask
It won't be pretty,
the answer you give.
I know,
But still.

I just want to know
You can just say
yes or no,
What would you say if I asked—
Never mind.

There is no other way to phrase it
I need to know the answer
But I might be crushed
Anyway, I'll ask
Never mind.
