

Pupa

Inspired by sculpture

I move
I twist
I can't stay in one position for long.
You see me as one thing,
then move
I've changed.
I'll keep surprising you.
You've tried to look *in* me.
You've tried to look *through* me.
You won't figure out my secret.
If you really want to know
then sit.
Stare.
I'll give you the answer soon enough.
Just you wait.
In one position,
then see how you like it.
