

7 Sins (a collection)

Envy

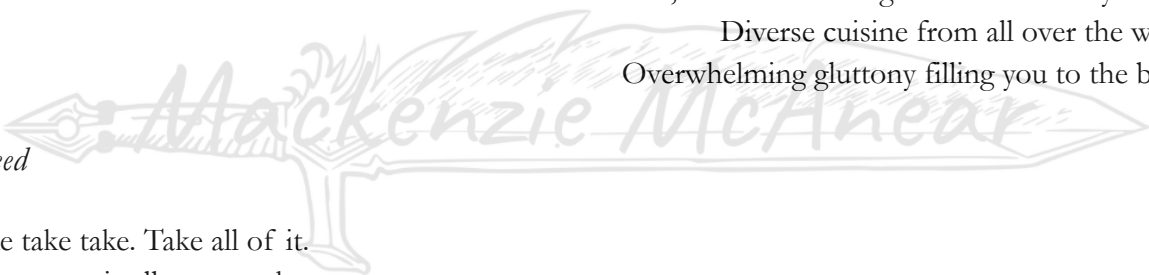

You look on, only able to wish
A raging fire roars within you now
Clenching your fists, you hold back curses
What could possibly have happened to you?
Flames wrap around you, you hurt yourself
Wanting to match beauty beyond your reach
The flames within glow green with envy.

Gluttony

Food glorious food piled high for you.
All foods bought just put to waste,
chocolate, sugar, salt, meat, the whole shebang!
Stuffing your face, not a second thought.
You, showboat during the annual family dinner
Diverse cuisine from all over the world
Overwhelming gluttony filling you to the brim.

Greed

Take take take. Take all of it.
The money is all yours to keep.
You deserve it all no one else.
All of it belongs to you alone.
They don't need it like you do.
Everything seen and touched is rightfully yours.
The power you take feels wonderfully intoxicating
Greed consumes you as you continue taking.

Lust

Craving her slender legs, smooth and soft
That tiny waist, making her flexible, irresistible
Stormy spheres filled with hunger, and longing
Fixed desire, pulsating in her bare chest
A thirst for her filling your chest.
Warmth enveloping you both in a cocoon
Lust overtakes your mind as you kiss.

Pride

Stand tall for you are a power!
Raised above all others you hold answers
Followers praise you, others envy your intellect
Don't be afraid fragile one I'm here,
Protecting you weaklings is what I do.
Taking pride in what you hold dear.
No one can tear you down now.

Sloth

The day is slow, sun isn't awake
So much to do, so little time
The day speeds up, I slow down
I struggle to move, struggle against sleep
It's hard, struggling, I might give up
The day slips away, I can't fight
I, a sloth, can't keep it up

Wrath

My blood begins boils in my veins
Face turning red as my heart pounds.
Blind are my intentions as I rage.
Numb all over, my mind not communicating.
I throw caution to the wind. Attack!
You did me wrong and will pay
I am no longer me, I'm wrath.
