

Brokenness

Your brokenness within has been contained long enough!
You can't bear it any longer,
not alone you can't.
I surrender my strength to you.
Lighten your load,
you are not alone in this world of cruelty—
among people and animal alike.

I have seen you break before
it left behind scares I do not wish to see on you again.

They make you imperfect,
yet *all* you are to me is perfect.
If you just take my strength,
just a little and you will feel better.

No!
Walk no further.
I stand behind you, beside you.
I trust you.
You don't have to go through anymore turmoil.

I'm not the only one that will lose you.
Not even your family.
Your family will lose a son,
their blood line will end if you end.

You are not the only one
who has brokenness.
I am broken too—
you see.
You don't have to leave.
Just don't leave—
Please.
